gladesh to play all other full members in next FTP

17, 2022 02:18 PM Last update on: Wed Aug 17, 2022 02:26 PM

desh will be playing all other full members of the International Cricket Council (ICC) during the next cycle of the ICC Men's Future Tours Programme (F) iod 2023-27, the details of which were confirmed by ICC on Wednesday.

nouncement of the FTP, a result of a collective effort of Full Members with ICC's support, ensures certainty of cricket fixtures with the confirmation of all al series across the three formats. The exact dates of the series are for the members to announce in due course

desh make a tour of Ireland in June 2023, which will be followed by a home series of two Tests, three ODIs and three T20Is against Afghanistan in June. Th also have a busy calendar in 2024 during which they host Sri Lanka and Zimbabwe from February to April and then play Afghanistan, Pakistan and India

e Test series against South Africa and an away full tour of the West Indies (two Tests, three ODIS and three T20Is) are part of the ICC World Test Champio 2023-25 while the 2025-27 WTC finishes off for Bangladesh with a challenging home series against England and an away series in Australia.
